10 Reasons to Study with US

1. Quality Programmes
   All programmes are fully accredited by the Malaysian Qualification Agency (MQA), approved by the Ministry of Higher Education Malaysia (MOHE) and recognised by Jabatan Perkhidmatan Awam (JPA) the Public Service Department of Malaysia. All degree programmes are from UK University partners.

2. Qualified & Experienced Staff
   All of our staff are appropriately qualified and experienced for the programmes they present. Many have practical experience in industry, relevant examples of which they bring into the classroom.

3. International Recognition
   International Qualification. All degrees are accredited by the QAA (UK). Computing Programmes are also accredited by British Computer Society (BCS). FTMS Accounting Programmes are recognised for exemptions by ACCA and CIMA.

4. State of the Art Facilities
   Facilities provided at our campuses are all state of the art and fully support the programmes offered. The facilities include the latest computer terminals and workstations, a multimedia enabled local area network, wi-fi throughout the campus and video-conferencing.

5. Employment Skills
   The courses offered provide students with the required knowledge and skills for a successful career within the competitive employment market. Practical sessions within the programmes enable you to practice and develop these skills. UK Degree Certificate same as Student Studying in the UK, there is no difference.

6. Research
   Our conducive learning environment is supported and enriched by the research activities undertaken by the academic staff ensuring a solid base of academic knowledge relevant to the ever-changing world.

7. International Student Body
   With students from over fifty (50) different nations, education undertaken will include the gaining and understanding of different cultures and societies and provide for the creation of contacts and networks which can be used after the programme has ended.

8. Student Employability
   More than 90% of our graduates are employed within 6 months after completing their final exam. Our graduates may work with government sector due to programmes international recognition. Worldwide employability due to UK qualifications.

9. Personal Development
   All students are allocated a mentor who will assist in supporting both academic and personal development. The personal mentor is there to help and guide you through your studies to a successful completion. Mock Exams ensure fully prepared for actual exam. Mentoring/Coaching & Student Support provided throughout the programme.

10. Conducive Environment
    The campus environment provides all necessary resources for your success, excellent academic support, excellent classroom facilities, excellent IT infrastructure, excellent student recreation facilities and excellent personal and professional development, thus providing for a truly all-round education and learning experience.
